John Spencer Chair Tertiary Education Commission PO Box 27-048 Wellington 6141

Dear John

Determination of Design of Funding Mechanism: Adult and Community Education

I am writing to advise you of the new funding determination that I have made under section 159L of the Education Act 1989 for Adult and Community Education; Search and Rescue Adult and Community Education; and Emergency Management Adult and Community Education.

The new determination is set out in the appendix to this letter. The determination covers the period from 1 January 2015.

Under section 159O of the Act, it is the Commission's responsibility to develop the operational policy and practices needed to implement my determinations of the designs of funding mechanisms. I expect that the Commission will set appropriate measures as part of its Statement of Service Performance in order to report to me on its performance in giving effect to this determination.

Yours sincerely

Steven Joyce

Minister for Tertiary Education, Skills and Employment

DETERMINATION OF DESIGN OF FUNDING MECHANISM: ADULT AND COMMUNITY EDUCATION

PRELIMINARY PROVISIONS

Statutory authority

1. This determination, which is made under section 159L of the Education Act 1989 (the Act), specifies the design of the funding mechanism for adult and community education (funding mechanism).

Purpose

- 2. This funding determination covers three funds:
 - a. the Adult and Community Education (ACE) Fund; and
 - b. the Search and Rescue (SAR) (ACE) Fund; and
 - c. the Emergency Management (EM) (ACE) Fund.
- 3. The purpose of the ACE Fund is to purchase provision that provides adults with community-based education, foundation skills, and pathways into other learning opportunities that meet community learning needs.
- 4. The purpose of the SAR (ACE) Fund is to ensure the purchase of good quality SAR (ACE) provision that supports volunteers to achieve the relevant class and level of training and accreditation. The primary focus of funding for SAR (ACE) provision is to attain targeted, skills-based short awards (under 40 credits on the New Zealand Qualifications Framework), including training schemes.
- 5. The purpose of the EM (ACE) Fund is to ensure the purchase of good quality EM (ACE) provision that supports volunteers in the fields of civil defence emergency management, and fire-fighting to achieve the appropriate class and level of training and accreditation. To achieve this, the TEC may also use EM (ACE) funding under this funding mechanism to establish an emergency management co-ordination body to provide co-ordination across the civil defence emergency management, and fire-fighting sectors and to provide advice about the appropriate levels of provision.
- 6. For the avoidance of doubt, the general parameters and conditions included in this funding mechanism apply to all three funds unless stated otherwise.

On-Plan and Off-Plan funding

- 7. The Tertiary Education Commission (TEC) must pay funding for ACE and SAR (ACE) under section 159YA of the Act.
- 8. The TEC must pay funding for EM (ACE) under section 159ZC of the Act.

PART ONE: THE FUNDING MECHANISM

General Parameters

Effective period

- 9. This funding mechanism is to fund ACE provision delivered from 1 January 2015.
- 10. The TEC may exercise any of its administrative functions as required to give effect to this funding mechanism before that date.

Available funding

 The total amount of Government funding that can be allocated under this funding mechanism will be set through the Government's annual budget processes.

SPECIFIC PARAMETERS

A. THE ADULT AND COMMUNITY EDUCATION FUND

TEO eligibility

- 12. The TEC may only fund a TEO under this funding mechanism for ACE provision if the TEO is one of the following:
 - a. an institute of technology and polytechnic (ITP);
 - b. a wānanga;
 - c. a private training establishment (PTE) that specialises in foundation learning;
 - d. a rural education activities programme (REAP) provider;
 - e. a community organisation; or
 - f. a state or state integrated school.

TEO quality assurance

- 13. To be eligible for ACE funding under this funding mechanism, a TEO (other than a community organisation) must be quality assured by:
 - a. the New Zealand Qualifications Authority (NZQA), if the TEO is an ITP, a wānanga, a PTE, or a REAP provider; or
 - b. the Education Review Office, if the TEO is a state or state integrated school.

ITPs and wānanga - funding formula and rate

- 14. The TEC must measure ACE enrolments at ITPs and wānanga in units of equivalent full-time students (EFTS). One (1.0) EFTS unit is defined as the learner workload that would normally be carried out by a learner enrolled fulltime in a single academic or calendar year.
- 15. The TEC must allocate funding for ACE provision at a fixed rate of \$4,444.44 per EFTS (GST exclusive).

ITPs and wānanga - funding priorities

- 16. When allocating ACE funding to ITPs and wananga, the TEC must:
 - a. take into account each ITP's or wānanga's overall portfolio of ACE provision; and
 - b. prioritise funding for ACE provision that primarily focuses on:
 - i. the learning of foundation skills; and
 - ii. the re-engagement of learners whose previous learning was not successful; and
 - iii, ensuring the progression of learners into formal tertiary education.

PTEs, REAP providers, and community organisations - funding formula and rates

17. The TEC must determine the appropriate total amount of funding for a PTE, REAP provider or community organisation to be funded for ACE provision.

PTEs, REAP providers, and community organisations - funding priorities

- 18. When allocating ACE funding to PTEs, REAP providers and community organisations, the TEC must:
 - a. take into account each PTE's, REAP provider's or community organisation's overall portfolio of ACE provision; and
 - b. prioritise funding for ACE provision that primarily focuses on:
 - i. literacy, digital literacy, and/or numeracy; or
 - English language, including English for Speakers of Other Languages (ESOL); or
 - iii. New Zealand Sign language; or
 - iv. Te Reo Māori.

State schools and state integrated schools - funding formula and rates

19. The TEC must allocate funding for ACE provision to state schools and state integrated schools at a fixed hourly rate (\$7.27 per hour) for a minimum number of hours of ACE provision per learner.

State schools and state integrated schools - funding priorities

- 20. When allocating funding for ACE provision to state schools and state integrated schools, the TEC must:
 - a. take into account each school's overall portfolio of ACE provision; and
 - b. ensure that each school will prioritise learners with the highest need. It is expected that at least 50% of the learners enrolled in the school's funded ACE provision will:
 - i. identify as having English language needs; or
 - ii. have low or no formal qualifications; or
 - iii. identify as Māori or Pasifika; and
 - c. prioritise funding for ACE provision that primarily focuses on:
 - i. literacy, digital literacy, and/or numeracy; or
 - ii. English language, including ESOL; or
 - iii. New Zealand Sign language; or
 - iv. Te Reo Māori.

Eligible programmes

- 21. The TEC must ensure that a TEO only receives ACE funding for an eligible learner enrolled in a programme of study or training that is designed to:
 - a. target learners whose previous learning was not successful; and
 - b. raise foundation skills; and
 - c. strengthen social cohesion, enhancing a learner's ability to participate in society and economic life.
- 22. A programme of study or training does not have to meet all of the criteria specified in paragraph 21 if it is a programme of study or training in ESOL, New Zealand Sign language, or Te Reo Māori.

Learner eligibility

- 23. The TEC must ensure that a TEO only receives ACE funding for a learner enrolled in an ACE programme who is:
 - a. a New Zealand citizen or resident; and

- b. 16 years of age or over; and
- c. not a full-time secondary school student.
- 24. A TEO may receive funding for ACE provision for a learner who does not meet the criteria specified in paragraph 23 only if that learner is:
 - a. under the age of 16 years and he or she participates with adults in family-based provision; or
 - b. a full-time secondary school student:
 - i. who is 16 years of age and over; and
 - ii. who receives ACE provision outside of normal school hours; and
 - iii. who has obtained approval from the relevant school principal;
 - iv. for whom the TEO has obtained approval from the TEC.

B. THE SEARCH AND RESCUE (ADULT AND COMMUNITY EDUCATION) FUND

TEO eligibility

- 25. The TEC must only fund a TEO for SAR (ACE) provision if the TEO is:
 - a. an ITP;
 - b. a wānanga; or
 - c. a PTE.

TEO quality assurance

26. To be eligible for SAR (ACE) funding under this funding mechanism, a TEO must be quality assured by NZQA.

Funding formula and rate

- 27. The TEC must measure SAR (ACE) provision enrolments in units of EFTS (as defined in paragraph 14).
- 28. The TEC must allocate funding for SAR (ACE) provision at a fixed rate of \$8,400 per EFTS (GST exclusive).

Eligible programmes

29. The TEC must ensure that a TEO only receives SAR (ACE) funding for an eligible learner enrolled in a programme of study or training that is less than 40 credits on the New Zealand Qualifications Framework.

Learner eligibility

- 30. The TEC must ensure that a TEO only receives SAR (ACE) funding for a learner enrolled in a SAR (ACE) programme of study or training who is:
 - a. a New Zealand citizen or resident; and
 - b. nominated to undertake the SAR training by New Zealand Search and Rescue (NZSAR), or by a SAR organisation approved by NZSAR.

C. THE EMERGENCY MANAGEMENT (ADULT AND COMMUNITY EDUCATION) FUND

Emergency management co-ordination body

- 31. To achieve the purpose of EM (ACE) funding, the TEC may also use EM (ACE) funding under this funding mechanism to establish an emergency management co-ordination body to provide co-ordination across the civil defence emergency management, and fire-fighting sectors and to provide advice about the appropriate levels of provision.
- 32. The emergency management co-ordination body must be recognised as a suitable representative by the civil defence emergency management, and fire-fighting sectors, that will:
 - a. work with stakeholders to identify training needs; and
 - b. provide links across the different sectors, and with the SAR sector; and
 - c. provide advice on training needs in each sector or geographic region.
- 33. The emergency management co-ordination body must be an organisation as defined in section 159B of the Act that satisfies the eligibility and assessment criteria to be established by the TEC.

Funding formula and rate

- 38. The TEC must measure EM (ACE) provision enrolments in units of EFTS, as defined in paragraph 14.
- 39. The TEC must allocate funding for EM (ACE) provision at a fixed rate of \$6,200 per EFTS (GST exclusive).

Eligible programmes

- 40. The TEC must ensure that a TEO only receives EM (ACE) funding for an eligible learner enrolled in an programme of study or training that:
 - a. is one of the following:
 - i. a programme made up of unit standards and credits, which may lead to the award of a qualification on the New Zealand Qualifications Framework; or
 - ii. a training scheme; or
