PBRF Assessment-related information released to PBRF-eligible staff

The Tertiary Education Commission (TEC) is pleased to announce the release of a paper providing additional information to assist staff to interpret the information relating to the 2006 Quality Evaluation released to them under the Privacy Act (1993).

The TEC is aware that some staff may have questions about the information that they have received. It is hoped that this paper, in conjunction with the textual commentary provided in the information released to staff, will help to answer some of these questions. This paper is also intended as a resource for PBRF co-ordinators and research managers.

The relevant paper and its associated appendix is available on the TEC website at <http://www.tec.govt.nz/templates/standard.aspx?id=600> under the heading '2006 Quality Evaluation assessment-related information'

TEC staff members are also available to assist in answering any specific questions either by telephone on (04) 462 5338 or by email to pbrfinfo@tec.govt.nz.
